Further information relating to Question No. 673 from 30th List

Sri KONDAJJI BASAPPA (Deputy Minister for Co-operation).—Sir, before we go to the next item I wish to furnish some information which I promised to give yesterday.

Mr. SPEAKER.—I suppose it will be brief.

Sri KODAJJI BASAPPA.—Yes, Sir. There are four Block Develpment Officers who were discharged from the probationary period under serveral notifications. One of them is a lady about whom the Hon'ble Member Smt. Rathnamma wanted to know. These persons were discharged not on the recommendation on the Screening Committee. But on the recommendation of the Reporting Officers Committee these four Officers were discharged from service.

Mr. SPEAKER.—Why was this information not available yesterday?

Sri KONDAJJI BASAPPA.—This information was not available yesterday because the Question as worded, did not indicate this information.

Sri SANJEEVANATH AIKALA (Suratkal).—May we know why particularly that lady officer was reverted ? What were the specific allegations against her ?

Sri KONDJJI BASAPPA.—During her probationary period her work was not found satisfactory. So she was discharged from the probationary post.
